

11.21.2023 Veterans Home Family Updates:

Dear Family and Friends of the Veterans Home at Chippewa Falls,

We are grateful for your continued support of our members and all those who work at our Home. Today we have the following COVID numbers to report:

- 1 employee has tested COVID-19 positive since our last update.
- Accounting for all recent recoveries, we have 2 COVID case on campus (1 employee, 1 member)

All households are open to visitors, but please be mindful of the risks associated with visiting the Veterans Home during a COVID outbreak. Mask continue to be required for all visitors and volunteers while at the Veterans Home and are highly recommended for all members. All visitors are still required to check in at the kiosk upon entry and you will receive a sticker badge to wear while on-site.

If you are not feeling well, please do not visit until you have taken a COVID-19 test and have fully recovered from your symptoms. If you would like a COVID rapid test prior to visiting your loved one, please alert the receptionist prior to going back to the household.

Please let us know if you have questions.

Thank you for your commitment to the health and safety of everyone at our Home.

Sincerely,

Katie Plendl

Katie Plendl, NHA | Executive Director
